New KCI Terminal Proposal: Public Hearings & FAQ

The City is presently considering a proposal for privately financing a new, single terminal at Kansas City International Airport. Under this proposal, KCI would still be owned and operated by the City of Kansas City, MO. If approved by the City Council, the proposal would require voter approval from Kansas City, MO residents in November 2017.

For more information, check out the City's frequently asked questions page, which answers questions KCI terminal proposal at kcmo.gov/faq-newkci

Public hearings to discuss the proposal are:

- Monday, June 5th | 5:30pm | Bruce R. Watkins Center, 3700 Blue Parkway
- Thursday, June 8th | 9:30am | City Hall, 414 E. 12th St.

Previous public hearings can be viewed at [facebook.com/kcmogov](https://www.facebook.com/kcmogov)

The public can also comment via the City's online town hall, at KCMOmentum.org

GO Bond Ordinance Introduced

On April 4th, 2017, voters approved an \$800 million comprehensive capital improvements program for basic infrastructure improvements through the issuance of general obligations (GO) bonds over the next 20 years.

The City Manager recently sent to the Mayor and City Council his recommendation for the 2017-2018 GO Bond projects. The list has projects from each council district and includes \$6 million devoted to fixing sidewalks that were cited for repair prior to the April 4th vote.

In the 6th District, the City Manager has recommended new road, sidewalk and sewer improvements along 135th Street from Wornall to Inverness (the last of three phases of improvements in Martin City) and along Wornall from 85th to 89th Street.

The Finance & Governance Committee will hear public input on the list at their June 7th meeting, at 8:30 a.m. at City Hall on the 10th floor.

EDC Cornerstone Award Winners

Several 6th District development projects were recently honored by the Economic Development Corporation with a Cornerstone Award. Cornerstone Awards are given to projects in Kansas City, Missouri that closely align with the mission of the EDC, which is to drive economic development and growth and create an environment in which businesses and residents prosper in Kansas City, Missouri. Congratulations to all who were involved with these important 6th District projects:

- 63rd Street Revitalization, Oak to Troost
- Burns & McDonnell Headquarters Expansion

Public Improvements Advisory Committee Sets Hearing Dates

The Public Improvements Advisory Committee (PIAC), in cooperation with the Mayor and City Council, will be holding citywide hearings in the north, midtown and south areas. These hearings are being held so that the Committee and Council can hear from citizens about the city's public improvement needs.

PIAC will use information gathered through the hearings to recommend projects for funding to the Council for Year Thirty-Five (Fiscal Year 2018-2019) of the one-cent sales tax for public improvements.

In addition to these hearings, citizens also provide input about needed public improvements by completing a request form. These forms will be available at the hearings or are available online at kcmo.gov/citymanagersoffice/piac.

The City-wide PIAC hearings are scheduled as follows:

- Friday, August 11 | 9:30am - Noon | City Hall, 10th Floor Community Room
- Tuesday, August 15 | 6:30 - 8pm | Grace & Holy Trinity Episcopal Cathedral, 414 W. 13th Street
- Wednesday, August 16 | 6:30 - 8:30pm | Northland Neighborhoods, Inc., 4420 NE Chouteau Trafficway.
- Thursday, August 17th | 6:30 - 8:30pm | Hillcrest Community Center, 10401 Hillcrest Rd.

The deadline date to submit a request is August 31, 2017.

If you have any questions, you can contact the Capital Improvements Program at (816) 513-8828.

Food Allergy Awareness Month & Food Drive

Councilman McManus recently sponsored a Special Action to recognize the Food Equality Initiative, a local nonprofit which runs the only food pantry in the region for those with food insecurity and food allergies or celiac disease. The Food Equality Initiative is located within the Community Assistance Council at 10901 Blue Ridge Boulevard.

6th District Councilmen McManus and Taylor are hosting a food drive at the Trailside Center to support their efforts. More information can be found below or at www.foodequalityinitiative.org.

Get Recognized as a Green Neighborhood

Does your neighborhood go above and beyond to implement Earth-friendly habits and initiatives? The City is launching its KC Green Neighborhood Recognition Program to recognize neighborhoods working to improve sustainability. Registered neighborhoods may apply online through July 31 to be a KC Green Neighborhood: kcmo.gov/kcgreen/neighborhood-recognition-program/. The City will award neighborhoods with a Platinum, Gold or Silver designation based on the green/sustainable initiatives they have implemented.

Continued Economic Development in East Brookside

Congratulations to Westwork Marketing, Inc. on their move from the West Bottoms to the East Brookside neighborhood!

Councilman McManus joined them for their Grand Opening at 601 E. 63rd Street, a building that has been completely rehabilitated in conjunction with the revitalization of the East 63rd Street Corridor.

The building is fully leased and indicative of the continued residential, office and retail investment in East Brookside.
